

WILD BY NATURE ADVENTURES

Programs & Special Events

Some Examples of Programming Options Include:

NATURE CRAFTS

Cattail dolls, willow ti-pi chairs, hoya sticks, bull roars, pack frames, whistles, sedge wisk broom, Christmas wreaths, dream catchers, drum earrings, Indian head dresses, felting, decoys, basketry, natural cordage, willow arches, clay whistles, west coast painting, didgeridoo, flint knapping, burn bowls and spoons, snowshoes, ski poles, willow furniture, fat lamps, buffalo balls, hide drums, willow animal figures, primitive games and toys, cattail sun visors, tire sandals, wheat weaving, pine pitch glue, soap/candle making, primitive tools, soap stone carving, pottery, birch bark knife sheaths, track casting, game calls, knife use and safety, and more!

SURVIVAL SKILLS

Principals of survival, Wilderness First Aid, clothing, survival kits, fire lighting, shelters, preventing disorientation (map and compass), tools, plant uses, cordage, knots, fire by friction (bow and hand drill), fishing, snares, weather patterns, emergency pack frame and animal habits we can learn from.

PLANT ID AND USES

Start your very own plant collection and learn their

edible, useful, medicinal and poisonous properties. Listen to native plant legends while you brew some bush tea and prepare and cook tasty vegetation.

PROTECT OUR ENVIRONMENT

WINTER CAMPING

Learn how to survive the winter and enjoy it! Find out what food, clothing, tools and emergency supplies to bring on an outing in order to combat that bitter cold. Go for a ski or snowshoe to build your overnight igloo or quinzhee and relax around an evening bonfire.

WINTER CARNIVAL

Why hibernate? There is so much to enjoy in the wonderful winter season! Have a blast with Carnival fun, relay races, skiing, snowshoeing, nature games, crafts, snow sculptures, campfire, sauna, ice fishing, a winter nature hike and much more! A snowball of fun for the whole family!
